If you or anyone you have had close contact with was diagnosed with COVID-19 stay home and quarantine, self-monitor for symptoms, and follow CDC guidance if symptoms develop. We continue to monitor the COVID-19 guidelines from the CDC and Washington officials. Considering all current information, the below guidelines will be implemented for this event:

- To help stop the spread of COVID-19, especially the Delta Variant, masks are required for everyone, including those who are fully vaccinated.
- We will do temperature checks for everyone during the check-in process, and social distancing is required.
- We will continue to ensure we clean and sanitize to help limit and stop the spread of any viruses and diseases.

The health and safety of all guests remain our top priority. Therefore, please make sure that you, your family, and your guests adhere to the above guidelines for this event.
